Confirmation Notice

Distributed with eNewsletter 8

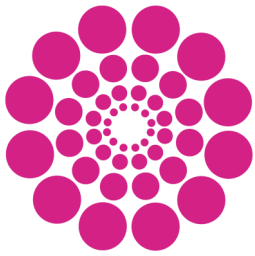

The Annual Concert Production Rehearsal is an opportunity for girls from all venues to come together with our professional band to prepare the music and staging for their Annual Concert items.

Whilst we see this as a valuable chance for the girls to experience music making with the larger group, we also understand that attendance might not be possible for all families. Please note that girls who are unable to attend will not be disadvantaged and their tutor will ensure that they are adequately caught up in the week following the Production Rehearsal.
