

AUSTRALIAN GIRLS CHOIR

## **There's something special about Christmas with the AGC**

The AGC has performed at thousands of Christmas events over our 41 year history and we have developed a dynamic repertoire of music; including many old favourites as well as vibrant arrangements of more modern songs. With their angelic voices and spectacular presentation, the girls are always a favourite during the holiday season.

*From shopping centres to corporate parties,  
on television and at community carols nights,  
the AGC brings extra sparkle to Christmas!*

# What can we offer?

- Our girls are trained in song, dance and performance skills and we can offer a performance group from as small as 20 girls, right up to 50 singers.
- With performance groups based in Adelaide, Brisbane, Canberra, Melbourne, Perth and Sydney we can provide the same size and quality of choir across a variety of locations.
- The girls do not require special staging or a piano and they sing carols from memory
- We can tailor our performance to meet your needs; from multiple sets of roving carols to a 45 minute stand alone concert.
- We make the event planning process easy; and can assist event managers with organisational details and arrangements.
- Our staff team is used to working at many of Australia's largest events and bring a wealth of experience with logistics coordination, stage management, musical direction and choreographic training.

# Where have you seen us?

Christmas is one of our busiest times of year as the AGC is in demand to appear as featured performers at:

- **Television Broadcasts** – Carols by Candlelight, Carols in the Domain, Today Show and Sunrise
- **Shopping and Business Precincts** – Outdoor malls, shopping centres and building foyers
- **Corporate Functions** – Gala Dinners, parties and AGMs
- **Community Events** - Pageants, parades and tree lightings
