Carols Rehearsal 2021 Camerata and Performing Choir

Dear Performing Choir and Camerata parents and choristers,

Each year we invite Camerata and Performing Choir to perform at a variety of events throughout December and we hold Carols Rehearsals to rehearse the repertoire. This year we will only be inviting Performing Choir and second year and above Camerata choristers to participate in carols. The Christmas period is usually a busy and exciting season with performances at shopping centres, corporate events and Christmas celebrations. While we're not sure what will end up being possible this year due to evolving COVID restrictions, we currently have several carols performances in the calendar for December already!

We understand that some families may have made arrangements that preclude involvement in our Carols Rehearsal on Saturday December 4, but we are hopeful that the vast majority of choristers will be able to attend as learning the carols is an important part of the senior performance groups' curriculum. Girls will need to have attended at least one carols rehearsal this year to be eligible to participate in carols performances. This includes the carols rehearsal held on either Wednesday September 15 or Thursday September 16.
