

# Carols Rehearsal 2021

## Canto

Dear Canto parents and choristers,

Each year we invite Canto to perform at a variety of events throughout December and we hold Carols Rehearsals to rehearse the repertoire. The Christmas period is usually a busy and exciting season with performances at shopping centres, corporate events and Christmas celebrations. While we're not sure what will end up being possible this year due to evolving COVID restrictions, we currently have several carols performances in the calendar for December already!

We understand that some families may have made arrangements that preclude involvement in our Carols Rehearsals but we are hopeful that the vast majority of choristers will be able to attend as learning the carols is an important part of specialist group curriculum. Girls will need to have attended at least one of the carols rehearsal listed below to be eligible to participate in carols performances.

Should your daughter be unable to attend either of the rehearsals we would appreciate you completing the [online absence notification form](#) so we can pass this information on to the Tutors.

## AUSTRALIAN GIRLS CHOIR

Our COVID safe plan is [here](#) should you wish to re-read it.

Canto often performs on their own or as part of a larger group with our Performing Choir and Camerata choristers. This year the carols list includes: 12 Days of Christmas, Rudolph the Red Nosed Reindeer and Stille Nacht (Silent Night). These songs have been taught during regular classes throughout Semester 2. With these fantastic opportunities also comes the expectation that the girls will be confident with the material and be able to perform it at a high standard. With this in mind we have created resources which the girls can access to help them practise and revise. These resources include vocal tracks for each part and the full recorded version of each song.

This shared folder is saved through the Dropbox application and is located at the following link:

If you do not have Dropbox on your computer or device, it can be downloaded from <https://www.dropbox.com>

We ask that you or your daughter download the relevant rehearsal tracks onto a computer/iPad/iPhone/mp3 player in preparation for her practice. In the past, choristers have found these resources to be extremely helpful and we hope that your daughter does too.

Please reply to this email if you have any questions and we would be happy to help.

Kind regards,
