

Terms of Enrolment – Australian Girls Choir

The Australian Girls Choir is part of the ASPA Group. In this document, references to ASPA (Australian School of Performing Arts) include the Australian Girls Choir, ASPA Education, Raw Energy Dance Education, the Australian International Girls Choir and the International School of Performing Arts.

By submitting payment, you agree that you have read and understood the following Terms of Enrolment. The Terms of Enrolment are valid for the duration of your daughter's participation in the Australian Girls Choir (AGC) and continued enrolment implies acceptance. Company policies are available at <https://ausgirlschoir.com.au/current-choristers/aspa-policies/>.

Fees

A condition of enrolment is to accept responsibility for the payment of fees, plus any debt recovery costs if incurred. The annual fees are payable in full, or via monthly instalments. Instalments are only available for enrolments beginning in Term 1 and 2. Should you choose to pay by instalments, you will also receive an electronic **Direct Debit Request and Service Agreement** via our payment partner, ezyCollect. A \$3 per instalment processing fee applies.

Re-enrolment

All current choristers are required to re-enrol at the end of each year. A payment option must be selected by the due date in order to guarantee a place for the following year. All re-enrolment deposits are non-refundable.

Participation and Behaviour

The AGC has behaviour expectations in classes and at events. We aim for behaviour to be positive, consistent, and to take into account the needs of each individual and the wellbeing of the group. Please see ASPA's **Child Safe Code of Conduct, Equal Opportunity Policy** and **Student Participation & Support Policy** on [our website](#) for more information.

In order to maintain harmonious relationships we ask all members of the ASPA community to:

- conduct themselves in a respectful manner and in compliance with the law,
- use courteous and acceptable written and spoken language in all communications. No profane, insulting, harassing, aggressive or otherwise offensive language should be used,
- value our diverse community and respect the rights, experiences, religious beliefs and practices of individuals and their families, and
- respect and comply with reasonable requests and directions from ASPA staff members.

ASPA will not tolerate bullying, harassment or other inappropriate behaviour from staff members, students, parents, guardians or other family members. If a student, staff member, parent, guardian or visitor feels they have been victimised in any way they should speak with ASPA venue staff or contact our [Head Office](#) to report the incident.

Progression through the Levels

Enrolment in the training levels of the AGC entitles each chorister to participate in weekly classes, and AGC concerts and associated rehearsals. Progression within the choir is determined by assessment of a range of abilities including singing, musicianship, movement, social readiness and the ability to work within a team.

Selection for involvement in the Specialist Groups (Cantini, Cantissimo and Canto) and Senior Performance Groups (Camerata, Performing Choir and Bel Canto) is subject to an assessment of vocal quality; level of independence when holding a vocal part; ability to absorb and perform complicated dance routines; general musicianship, stage and presentation skills including navigating multi-level stages and low lighting, as well as the individual's social readiness and ability to work within a team. Selection for involvement in public engagements is also based on the requirements and limitations imposed by event organisers and particular venues at which the choir performs. Please see ASPA's **Equal Opportunity Policy** on [our website](#) for more information.

Child Protection

ASPA adheres to the National Principles for Child Safe Organisations as well as the relevant Child Safe standards in each state and territory, including Mandatory Reporting requirements, Working with Children Checks and Child Employment Acts. ASPA staff members adhere to ASPA's Child Safe Code of Conduct and understand they have a legal obligation to protect the children in our care. Please see ASPA's **Child Protection Policy, Child Safe Code of Conduct, Duty of Care Policy** and **Venue Arrivals and Dismissals Procedure** on [our website](#).

Terms of Enrolment Continued

Parents whose daughter is subject to a court order that affects who can collect their daughter/s from rehearsals and events must provide ASPA with the relevant documentation. ASPA venue staff will be made aware of these requirements and will make every effort to comply with the order. ASPA will adhere to this order until a new order is provided. It will be assumed that both parents and guardians have access to their child unless ASPA is notified otherwise, in writing.

Photography and Video Media

Unless ASPA is notified otherwise in writing, it will be assumed that ASPA may use photographs, audio and video recordings of relevant activities that include your daughter for educational purposes, staff training and in promotional material. All media will support a positive message and will not include the child's full name. Parents, guardians, visitors and staff members cannot photograph or film students during session times or at concerts for personal publication.

Health and Medical Matters

ASPA's **Duty of Care Policy** and **Health Care Policy** can be found on [our website](#). In the event of illness or accident while under our care, the manager in charge will contact the parents or guardian, and an ambulance if required. If the parents or guardian cannot be reached, the manager is authorised to consent to your daughter receiving medical treatment as may be deemed necessary.

It is a requirement that parents provide details of any pre-existing medical conditions, including mental and physical health considerations. Some health matters may require a specific action plan in case of an emergency. We require a Medical Action Plan (MAP) provided by a doctor for any condition that is rated severe and requires specific medical equipment or medicine. Equipment may include autoinjectors, inhalers or medications and must be brought to weekly classes and all event days, such as production rehearsals and AGC concerts, in order for your daughter to participate. ASPA must be notified if any medical information changes during your daughter's enrolment.

Privacy

ASPA adheres to the Commonwealth Privacy Act 1988 and the Australian Privacy Principles. Information collected by ASPA is used before, during and after the course of your enrolment in a variety of ways to meet its legal obligations, and to promote and provide our services. The information is subject to professional confidentiality, kept strictly secured, and will not be disclosed to any third party except as required by law or for fee collection purposes. Please refer to ASPA's **Privacy Policy** on [our website](#) for more information.

Carpooling

ASPA families may choose to include their information in a carpool list. Please contact the office should you wish to be included in this list, wish to receive the current list of carpool families for your daughter's class, or, now wish to be removed from this list. By registering for and using carpooling you acknowledge your agreement to the following terms. If you do not agree, do not proceed.

- ASPA will distribute your name, phone number and suburb upon request to any other parents seeking to establish a carpool relationship with an ASPA family from your venue.
- ASPA makes no undertaking, promise or guarantee that we will be able to successfully match you with another ASPA family.
- ASPA is not and cannot be responsible for the behaviour of ASPA families; it is your responsibility to assess the suitability of your daughter's driver.

Copyright – AGC Arrangements and dance routines

AGC song arrangements, music resources, and choreographed dance routines are all covered by copyright licences. ASPA has entered into agreements with the composers and arrangers of repertoire in the AGC curriculum, as well as with choreographers of our dance routines, under the stipulation that all routines and sheet music will only be used in ASPA classrooms. It is a term of enrolment that ASPA families do not pass AGC music or dance routines onto other organisations.

Resignation

Should your daughter wish to resign from the choir, please notify our [Head Office](#) prior to the first class of the term.

Deposits paid for enrolment or re-enrolment are non-refundable. Once classes have begun, the full fees for the current term are payable plus a \$20 administration fee, regardless of attendance. Refunds for remaining terms are prorated based on the number of classes per term, which varies. Refunds are paid into your nominated bank account by the end of the month in which the resignation is processed.

Please note: Performing Choir fees are calculated on five terms of tuition with the week-long Music School equivalent to one term. Refunds will not be processed without the return of sheet music and performance top if applicable.
